#### NOTICE

May cause staining on handler's apparel and porous surfaces.

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with direction under normal conditions of use. Neither this warranty nor any other warranty of merchantability or fitness for a particular use, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such use.

BLACKOUT TURF & ORNAMENTAL is a natural soil conditioner that acts as a soil microbial stimulator as well as a natural chelator for minor nutrients.

BLACKOUT TURF & ORNAMENTAL is a unique granular soil amendment that contains humic acids, fulvic acids, and carbon.

BLACKOUT TURF & ORNAMENTAL helps to:

- Enhance the availability and uptake of nutrients
- Stimulate root growth, which increases crop volume
- Improve soil structure
- Stimulate soil microorganisms
- Buffer salts in the soil
- Minimize plant stress
- Increase water-holding capacity in soils

## WARNING

### KEEP OUT OF REACH OF CHILDREN

May be harmful if swallowed. May cause irritation of eyes, nose, throat, or skin. Avoid contact with eyes, skin or clothing. In case of contact with eyes, flush with plenty of water. Consult a physician if irritation persists.
