

PUR-SPRED™

NONIONIC SURFACTANT AND ANTIFOAMING AGENT

SmartLine™ Pur-Spred™ improves the effectiveness of certain post-emergent herbicides, desiccants, defoliants, insecticides, fungicides, acaricides, miticides and nutrients, to enhance activity.

SmartLine Pur-Spred improves performance of the active spray ingredients by providing more uniform distribution and better wetting of the plant surface.

CONSULT YOUR LOCAL FERTIZONA REPRESENTATIVE OR OTHER AGRICULTURAL SPECIALIST FOR SPECIFIC CROP RECOMMENDATIONS.

Always read and follow all label directions, mixing instructions and precautionary statements of the herbicide being applied.

Pur-Spred™ and SmartLine™ are trademarks of Fertilizer Company of Arizona, Inc.

Rev. 10/28/2015

90.00% 1,2,3-trihydroxypropane, diethylene glycol, alkylphenol ethoxylate

Available in
4 x 1 gallon case,
2 x 2.5 gallon case.

Always read and follow label directions of the pesticide being applied. For ground, air, and aquatic* use applications.
